

AARON
We didn't pass that a second ago
did we?

MAYA
No way!

The three of them start to surround the spaceship.

ELI
Holy cow! We really are gonna be
famous! I can see it now!

Eli uses his hands like he is making a newspaper headline.

ELI (CONT'D)
"Trio of three find worlds first
Alien spaceship!"

MAYA
Trio of three?

AARON
Trio means three Eli.

Aaron leans his ear to the ship. He knocks three times.

ELI
I know trio means three! It's
called a catchphrase jeez!

KNOCK KNOCK KNOCK! From the inside of the ship. Aaron jumps
back in surprise and knocks the siblings over.

Mechanical sounds start to emanate from the ship. Like
latches being released and air valves letting go.

The kids keep backing up on the ground in anticipation.

Finally one last sound indicates that the ship is opening. A
rush of air and gasses come from the opening.

Out of the gasses walks a very short, no more than two feet
tall, but also fairly plump LITTLE GREEN MAN. It's look akin
to the Alien's from Toy Story.

It has an inviting face at first.

LGM
Hello Earthlings. I come in peace.

But the LGM's face goes from inviting to pain. As if it
mustered all the strength it had in this moment to put them
at ease.

LGM slumps, barely able to keep himself standing.

AARON
Guys help me!

Aaron rushes over and helps guide LGM's body to the ground.
Eli and Maya join and help.

AARON (CONT'D)
Hey it's ok. We got you. It's gonna
be ok!

ELI
Look at his arm!

Aaron notices his arm. He is wounded pretty badly. He looks
around, nothing useful. He thinks quick.

AARON
Have you been out here all night
little guy?

Aaron rips a swatch of his shirt off and starts to wrap it
around the wound on LGM. He looks over and spots Eli's belt.

AARON (CONT'D)
Eli belt!

Eli looks down.

ELI
I dunno man my mom--

AARON
BELT ELI!

ELI
Alright alright!

Eli rips the belt off and gives it to Aaron. Aaron cinches it
down over the piece of t-shirt. He searches for a way to keep
it locked down. He notices Maya's hair tie.

AARON
Maya can I have your hair tie?

ELI
Of course you're nice to her!

Maya takes out her tie and gives it to Aaron.

LGM
Wat-- Wat-- er

ELI
Water! He wants water!

Eli reaches into his pack and pulls out one of the bottles of water.

Aaron finishes locking the cinch of the belt in with the hair tie. Eli hands Aaron the water.

AARON
Here you go buddy. Here you go.

Aaron carefully pours a little water into LGM's mouth. His green color becomes even more vibrant. He gets his fill of water and then--

LGM
Sleep-- sleep.

LGM closes his eyes.

FADE TO BLACK.

22 EXT. LAKE PLACID'S EDGE - LATER

22

The sun is lower in the sky. LGM's lifeless body lays on the ground. The feet of Aaron, Eli and Maya are standing a few feet in front of him. They are talking feverishly.

MAYA
(O.C.)
We've got to do something to help him.

ELI
(O.C.)
Look, I want to help him too but if we don't get back by dark mom and dad--

AARON
(O.C.)
Look Maya is right.

LGM's eyes start to open.

ELI
(O.C.)
Aaron you don't get it--

AARON
(O.C.)
But so are you?
